— A Head Start Organization —

### Wish List

One of our goals for this year is to enhance our outdoor playgrounds into outdoor “learning spaces.” Volunteers are needed to assemble or construct additions to our playgrounds to help us reach this goal.

Below is a list of items that we would like to add at any/all of our centers, as suggested in **Nature Explore Resource Guide.... A collaborative project of Arbor Day Foundation and Dimensions Educational Research Foundation.**

Please contact Community Liaison, Pam Le’al, at 472-6900, ext. 3704 or pleal@fds.org for more information.
